

Cincinnati USA
HISPANIC CHAMBER

To: Greater Cincinnati Hispanics

You are invited to apply for inclusion in the *Hispanic 100 (H-100)* initiative.

The overall goal of this project is to identify, guide and mentor a pipeline of Hispanic leaders who would like be a positive influence in the future of the Cincinnati community at large. We will bring together 100 local Hispanics from companies and organizations across the Greater Cincinnati area. This will be an on-going initiative, it will be sponsored by the Hispanic Chamber and it will continue to be part of the service the Hispanic Chamber offers to the community.

Please apply only if you are seriously interested in serving your community.

Why apply for the ***Hispanic 100 (H-100)*** initiative? This initiative will:

Bring together the Greater Cincinnati Hispanic community

You, and your family, will have an opportunity to meet fellow Hispanics from across the region and learn about civic, arts, health, etc. organizations that will enrich your life.

Provide mentoring and leadership opportunities.

The H-100 will provide mentors for younger members and leadership building opportunities for those more senior members.

Provide diverse leadership for local community organizations.

Currently, there are more opportunities for leadership than there are Hispanics available to lead. This is not due to low availability, but rather to the inability of local organizations to identify Hispanic candidates for community advisory positions.

We hope you'll want to join us and contribute your talents towards making Cincinnati a great place to live for not only Hispanics but the community as a whole. To apply, complete the Application found on the back side of this letter and e:mail it to ganderson@cinci.rr.com, or FAX to (513) 351-6352. A downloadable application can be found at www.hispanicchambercincinnati.org under the Get Involved tab. If you have questions, please contact: Janett Said at (513) 366 - 2383
